

GRADUATE CHILDHOOD EDUCATION

STUDENT TEACHING APPLICATION

EDUCATION 763.23

FALL 2009

1. Students must successfully complete required education courses before enrolling in student teaching.
2. Permission will not be given until the program head has reviewed a copy of your most recent transcript.
3. Student teachers cannot be assigned to a public school until verification of a recent TB test is submitted. TB tests may be taken at our Health Clinic located at 114 Roosevelt Hall – (718) 951-5580

IMPORTANT

Once your application for student teaching has been approved, you will need to be fingerprinted and have a photo ID taken. At that time, you will be e-mailed instructions regarding fingerprinting, ID and registration codes for the class.
