GRANT ELIGIBILITY GUIDELINES

Grant Eligibility and weekly fees are calculated as follows:

Family size	Eligibility	Income Standard
2	\$ 26,400	\$ 13,200
3	\$ 33,200	\$ 16,600
4	\$ 40,000	\$ 20,000
5	\$ 46,800	\$ 23,400
6	\$ 53,600	\$ 26,800

For each additional member over 6, add \$6,800 to Eligibility and \$3,400 to Income Standard.

Official documentation of income (IRS tax records 1040 or 1040A) will be required for income verification.

- If your yearly household income is less than the Income Standard then your child's tuition will be \$25.00 per week
- If your yearly household income is greater than the Eligibility amount you pay full tuition
- If your yearly household income is greater than the Income Standard but less than the Eligibility amount compute as follows:

$$\frac{\text{Gross Income} - \text{Income standard}}{\text{0.1}} \div \text{52 (weeks)} = \text{Weekly Fee}$$

- The lesser tuition amount between full and grant subsidized will be your child's tuition for the semester.

$$\text{Weekly Fee} \times \text{16 weeks} = \text{Tuition per semester} \quad \text{or} \quad \text{Full Tuition}$$

To calculate full tuition for the Afterschool Program:

$$\frac{\text{Number of days (4th day free)}}{\text{Tuition per day}} = \text{Tuition per week} \times \text{\# of weeks} = \text{Tuition Per Semester}$$

Please Note: All fees are subject to change
